Synopsis

What Pet Should I Get? This new book by Dr. Seuss about making up one's mind is the literary equivalent of buried treasure! What happens when a brother and sister visit a pet store to pick a pet? Naturally, they can't choose just one! The tale captures a classic childhood moment—choosing a pet—and uses it to illuminate a life lesson: that it is hard to make up your mind, but sometimes you just have to do it! Told in Dr. Seuss's signature rhyming style, this is a must-have for Seuss fans and book collectors, and a perfect choice for the holidays, birthdays, and happy occasions of all kinds.

One Fish Two Fish Red Fish Blue Fish

"From there to here, from here to there, funny things are everywhere . . . So begins this classic Beginner Book by Dr. Seuss. Beginning with just five fish and continuing into flights of fancy, One Fish Two Fish Red Fish Blue Fish celebrates how much fun imagination can be. From the can-opening Zans to the boxing Gox to the winking Yink who drinks pink ink, the silly rhymes and colorful cast of characters create an entertaining approach to reading that will have every child giggling from morning to night: "Today is gone. Today was fun. Tomorrow is another one."

PreS-Gr 3 In this new Dr. Seuss book, two children are caught in a conundrum. What pet should they get? How can they choose? What Pet Should I Get? is classic Seuss. It is narrated by

Rainn Wilson, who somehow fails to fully capture that flowing Seuss rhythm but reads with good heart and clarity. Perhaps the most interesting part of this CD, however, is the afterword, which explains the correct way to select pets nowadays, a history of Dr. Seuss's pets, and a lengthy overview of how the manuscript was discovered, edited, and eventually published. One Fish Two Fish, narrated by David Hyde Pierce, is a sheer delight. There are a few added sound effects, but the power is in the narrator, who manages to create a verbal smile in his voice as he reads the classic story. VERDICT Both stories absolutely must be heard with the books in hand, since Seuss's illustrations are integral to the experience, but the audio version is well worth purchasing. —Teresa Bateman, Brigadoon Elementary, Federal Way, WA

What Pet should I get by dr. seuss Audio children's book and their dad said they could have one. Rhyming story about different animals. Each of the kids want a different pet. Then they look at the others that are at the store. They have to be back by noon and there's still animals to pick. They imagine if they had one of each!. This collection also has one fish, two fish story which has rhyming and opposite words. Silly stories with rhyming words about made up animals and what their attributes are.
