The 9mm Makarov: The Low Price/High Quality PPK Alternative

Synopsis

>>>The Makarov is a classic cold war sidearm. It is based upon the Walther PPK design, but it was so much simpler, and inexpensive to produce and put together than a Walther. Learn how easy it is to replace a firing pin in this weapon. Learn how to field strip the gun, clean it, inspect it, and more.

Customer Reviews

having discovered the Mak after 30 years of 1911's and shotguns, this was an indepth review other answered my questions authoritatively and with pictures and videos

GOOD

very small kindle book, based on a few You Tube video reviews. If you haven't seen the videos, perhaps these facts would be new, but not a second time by someone described by the author to

the reader.

Nice overview of a revolutionary gun. Great breakdown of the changes from the PPK it is based on and worth the price.

I've been thinking about getting a Makarov for some time. This book gave me the information I wanted in a short concise form.

Very informative

Pretty basic information concerning these pistols. It is good enough for a novice Makarov owner to gain some information. 20-some pages makes this more of a pamphlet than a book.
