Happy to have found the book

I've been searching for this book for like 4 years, since I took AP Spanish in high school. The stories and authors included in this book are the best. Like Pablo Neruda, Garcia Marquez, Federico Garcia Lorca, and many more. The book arrived promptly and in mint condition. Thanks!

excellent

Nice book, just a little bit more worn than description.

The stories are excellent; very sad but very good.

The book is fair in its conditions but the text is upside down, so, you have to start Reading starting in the back Cover

Half the stories are interesting. The other half are quite boring, but if you are planning to take the AP Spanish test you have to read this stuff.

Purchased this for my son in AP Spanish literature. It was great for him to have his own copy to annotate. I bought in conjunction with the teachers manual and that really help take reading to a deeper level in exploring the meaning behind each text. When taking a foreign language it can be easy to get caught up in the literal translation instead of focusing on the writers intent and the teachers manual helped get past that.
