Advanced Endodontics: Clinical Retreatment And Surgery

Synopsis

Complex endodontic problems that require further work on the part of the clinician can be time-consuming and problematic. This highly illustrated text, from one of the authors of the very successful *Endodontics: Problem-Solving in Clinical Practice*, tackles these difficult aspects and guides the practitioner through the problems and procedures involved. The only monograph on this specific problem area, *Advanced Endodontics* will be of interest to endodontists, general dental practitioners with a special interest in endodontics, and postgraduates in restorative and endodontic specialties.
