Wonderful! This collection by MacArthur is deep. This collection contains 4 complete books. All of them will bring you closer to God. I really enjoy all of John MacArthur's works. I really enjoy all his commentaries as well ! I started with one of the new testament commentaries, and little by little I had gotten all of them. What a treasure. This volume is excellent. I also enjoy volume 2, especially one of the books Without Doubt, which delves deeply into our security in Christ ! As will all works of MacArthur, it's full of bible verses and deep insights into these verses. That books is such an encouragement. I don't want reveal too much detail but I know this set will bring much encouragement and edification to all who reads it. John is such a gifted teacher of the bible !

This set of books was amazing. I have read it all the way through and will probably read again and again. There are so many places that I marked up to come back and ponder thoughts. A great read and a wonderful resource book.
