Customer Reviews

Includes overview of pre-band life for key band members, some details of band formation and progress, but mostly a chronological detailing of known gigs (including, when possible, set lists), frequently interspersed with interview bits and quotes from Peter's on-stage commentary (some quite lengthy). In other words: very much a guide / reference for the established Oils fan, and a book well aware of the impending 2017 reunion tour while also providing a comprehensive guide to the past. Combines well with Hirst's book (Willie's Bar and Grill) and Garrett's (Big Blue Sky : A Memoir(Hardback) - 2015 Edition). Definitely recommended.
