Customer Reviews

This issue of Entertainment weekly is great is just like collection of all the things that happened during 1999, that's what I don't get why it is called entertainment weekly 2000 Yearbook but anyway its got nice reviews and entertainer of the year Ricky Martin which is actually the main attraction of the year and also main attraction in this book plus good movies and music news plus some expectations and some things that are to come in this year. This book is edited just like the magazine goes out every week with its usual sections and some cartoons and features like some of Jim Mullen but of course is bigger and interesting.

"Entertainment Weekly Yearbook 2000" is a great way to keep track of all the newsmakers from 2000. Makes a nice coffee table book. If you like celebrities and Hollywood, get this book, no matter what the year is currently. I recommend.
