Customer Reviews

Not something I would purchase in print or for more than 99 cents because ingredients aren't very clear on measurements sometimes. Like "a pack of. . .). what size pack?

Great cookbook! Lots of choices, I'm very pleased with the purchase. I recommend buying this as a go to book.

Great product and the transaction was completely favorable.

I love it!

If you like beans as i do then this is for you, I am a pinto bean nut so I wish there was more with them.
