This cookbook has practical and do-able ideas for fondue. For someone like me, who wasn't sure I would venture beyond a basic cheese fondue recipe, this cookbook will show you how easy it is to prepare many different recipes. Includes menus and recipes for sauces.

This book is full of some really delicious recipes that you can enjoy anytime.

Bought this as a replacement for a copy I purchased years ago that my dog chewed on. It's a great book, and most of these fondues could also be kept warm in a small crockpot and used as dips with chips for parties.

Have not made any Fondue yet, but recipes look, Yummy

Excellent book. We've tried several of the recipes and really liked them. Good selection of dipping sauces too. This is becoming one of our most used cookbooks

excellent book, quick and easy choices for company or just a quiet evening at home with the family
Definitely recommend it.

Great book and recipes!
