Elizabeth May currently resides in Edinburgh, Scotland. The Falconer trilogy is her debut series.

So many words I don't know where to start! This book is absolutely haunting, heartbreaking, breathtakingly wonderful! The ending just absolutely took my breath away! The characters, the writing, the story, everything was just so beautifully perfect. I plowed through it in record time and know I'm so very sad that it's over! Write more Mrs May please!!

I found the third book the most difficult to read because I felt like nothing was going to get better, but take a read and you'll see. Its always a gamble with unknown authors on , but the writing, the characters, the worlds and the stories were enthralling. I couldn't put the first two down and I had too wait two weeks for thee third much to my disappointment. Take a chance on this series, its a thrill ride
