Coollest Bible ever. The print is a bit small but because it's compact and in case completely even if spilled drink can't get this Bible damaged. My son loves the NLT version verses BIB which is what he's been nn reading since first Church attendance in elementary school. He's now 15. I love that the New Living Translation makes the Bible simple to read and world or technology online so accessible. Having I saw a book in your hands especially Bible is what I considered to be a must for my twins. My suggestion is that you took out the text size before purchasing them to ensure that if your child needs glasses that's something to be considered.

I usually get these for my sons when they learn to read fairly well. Solid. Light. A great Bible for kids

to take to school.

If you love to carry your bible in your purse, rather than using a smartphone bible app - this bible is for you. The bible pages will stay neat, clean and unwrinkled. Also, there is room for a highlighter or pen

These bibles were a hit with my son, and grandchildren!! Thank you! I bought, every metal choice they had out there, all loved them.

It arrived in ideal time and met the specifications that I expected although the quality was slightly less than expected. But hey this is so that tends to happen often.

I love this Bible!!! Between missions trips and everyday wear and tear. It seems like I am always damaging my bibles. But this one has a fighting chance!....my only complaint is that mine came with a small dent already and the last page was glued to the cover so it ripped when I tried to move it. But if you are rough on a bible I greatly recommend this!

I really like this translation. Also, I carry my Bible around a lot more now that I can toss it in my backpack without fear of destroying the pages. I would prefer a slightly larger font size, but it's not too tiny to read.

Excellent, teen happy that this Bible can be carried anywhere and it has protection along with a great look, worth the price. Ordered for Christmas 2013 right before and received by Christmas.
