THAT MAN: The Wedding Story (Box Set)

Synopsis

Nelle L'Amour's USA Today bestselling THAT MAN series continues with more laughter, more drama, and more scorchin' hot Blake Burns. You are invited to the wedding of the century—1000 guests and counting. All Blake's tiger wanted was a small wedding in her parents' backyard. But with Blake's controlling mother calling the shots, not to mention the wedding planner from hell, Jennifer's patience is tested. Meanwhile, Blake has to deal with a skeleton in the closet: a jealous, delusional woman from his past who harbors a secret. A big secret—one that threatens to tear the perfect couple apart. Will Blake and Jennifer get their happily ever after when whatever can go wrong goes wrong until their very lives are threatened? The THAT MAN series concludes with this epic, gripping final episode. Be prepared to laugh, cry, and swoon!

Customer Reviews

THAT MAN has been an amazing series to read. Literally started reading Book 1 and didn't stop until I finished Book 5. No, I didn't get much accomplished otherwise the last couple of days, other

than reading THAT MAN. The sex was wonderfully steamy, the plot was strong and well-written, and both the main characters and the secondary characters were warm and deserving - well, except for the few we love to hate, that is. I have to mention that I am not particularly a crier, but there were several moments in this series when I came close to crying. But then I COMPLETELY lost it when Roberta Flack started singing! In fact, I couldn't read on for a bit, because I couldn't see the pages for the tears. I think you will love THAT MAN as much as I did.

I really like the entire story of That Man! It wasn't the normal cookie cutter rich man whore billionaire. This story had a lot more substance, great characters, and a unique story. Poor Blake is so clueless about how women think. Worth the money to buy both box sets! Highly recommend!

Please keep writing about this man and his family I love all your books. Thank you so much looking forward to reading the next one about Gloria keep them coming thanks again

WARNING: spoilers Love these two. They screw like bunnies! Besides the great love story, I was glad to see that Jennifer finally grew "a pair" and got Kat the way she deserved to be "got." Epic wedding debacle with a serious problem putting Jen out of commission. And it was about time Jen believed her man.

Blake was completely right in his letter! He and Jennifer have definitely been on the rollercoaster ride. But being that their love was so strong, nothing was going to keep them apart. I'm so happy for their happily ever after! Love is Beautiful

These books are so awesome! I love Blake and Jennifer and so glad they had their happily ever after. This book is full of love, humor, sorrow and so much more. Highly recommend this book and also unforgettable and Gloria. The author has totally nailed everything you could possibly want in a hot, erotic romance in all of these books. Thumbs up!

At first these books were hard to get into, but I was able to read the first 3 quickly and am struggling with books and 4. I was well written and a good series. If you enjoyed 50 Shades of Grey or the Crossfire series, I would recommend the That Man series. Definitely worth the price.

I was thrilled with the ending. So much had happened to Gloria but there are happy endings .. this is

happy.
