Customer Reviews

Average. Is Informative but light on details - only good as a general overview. More detail in full Italy guide.

ok but on the light side. The Map is very small and the descriptions of towns are just an overview. It isn't Rick Steves

Always a good guide. I like Lonely Planet.

great suggestions!

A welcome addition to our guide books on Tuscany. Easy to read and find locations/things to do, see, and a good restaurant guide. Maps of Tuscany included, and easy to follow colored road trip suggestions. Separate pull out map included.
