## Synopsis

Learn Secrets about Men And The Traps Women Fall Into That Most Women Will Never Know It's time to take back your power! Most women are very surprised when a man becomes distant, when they find out he wasn't as interested as he seemed, or worse, when everything he said turns out to be a blatant lie. Nothing hurts more than getting that gut-level feeling that says he doesn't love you anymore. It's time to learn about the traps most women fall into that take away their power. Here is some of what you'll learn when you'll start reading this book:- How women give away their power (and don't even realize it) - The important test you should never fail in any relationship- Why you should not be focusing on your beauty (or lack thereof) - Your most important bargaining chip (what it is and how to use it, most women don't think of this)- Not behaving or feeling like a high value woman and what to do instead to take your power back- Opposites Attract, or do they?- The One • Is he the one? And why would this be a trap?- The Wrong Man (and what to do about it)- The MANipulator (and how to avoid being manipulated by any man)- A Subject to Avoid (when a woman talks about this subject, a man can't help it and will lose interest in her)- A trick to see if he's REALLY interested in you- Jealousy. When to use it and how to deal with it.- The Ex. Is she dangerous?- Your Looks. How to use them...and how to never use them (this is a trap many women step into).- The Overlapping Circles: the secret to a happy long-term relationship- How important are his friends to the relationship YOU have with him?- and more! ## Customer Reviews

I liked the book and learned a lot. I wish I practiced more of these behaviors to see if my last boyfriend would have stuck around :( I recommend this book to all women to understand what we can do to weed out the bad guys from the good ones, when to speak up, and to have your own life/hobbies. No one is perfect-- but why stay in a relationship with a guy who doesn't meet your standards or who disrespects you? If a guy doesn't love and respect you consistently and is not SHOWING YOU (or stopped) try to understand why, trust your gut, and decide what's best for you.

This book is truly helping me thru a pretty difficult relationship im currently in. Ive read other books by this author and i cannot stress enough, how helpful they are. I cherish them and am reading them over n over until it sinks in. I also highlight parts for a quick referral when im in the midst of uncertainty. Thankyou Brian. You truly are a blessing in my life. Julie
