St. Faustina Prayer Book for the Conversion of Sinners is a much-needed treasure which allows us to glimpse the mercy of God and his call to conversion. I pray that all who read this book will be touched by God's love and experience the grace needed to follow Jesus more closely as his disciples. Cardinal Seán Patrick Malley, OFM Cap. In her most recent book, Susan Tassone - our very own 'Apostle for the Souls in Purgatory' - uses the spiritual wisdom of St. Faustina to call us all to conversion. Use it faithfully to pray for relatives and friends, and apply it to yourself to help with your own growth in holiness. • Greg Erlandson, Editor in Chief, Catholic News Service Following her many valuable books on the holy souls in purgatory, Susan Tassone's St. Faustina Prayer Book for the Conversion of Sinners involves three of my favorite topics: St. Faustina, mercy, and conversion. This is a great book to help you pray for others, but it's more than that. Filled with prayers and inspiration for the continual, day-by-day conversion of our own hearts, it's a book for each one of us. • Vinny Flynn, Author of Mercy's Gaze Each of us is called to become a saint. Once we hear the call of God, experience the pulsating love of the divine, and surrender every facet of our life and personality to the Lord, nothing can ever be the same again. Susan Tassone's latest book, St. Faustina Prayer Book for the Conversion of Sinners, can greatly assist in the continual conversion of heart, mind, and soul needed to wholeheartedly respond to this universal call to holiness. The plethora of prayers, devotions, and spiritual practices this book contains can help the reader to obtain the graces needed for a deeper commitment to Christ for oneself, one's loved ones and the entire world. • Most Rev. Donald J. Hying, Bishop of Gary, Indiana In her - excellent - St. Faustina Prayer Book for the Conversion of Sinners, author Susan Tassone examines and explains the interdependence of all of us in God's plan of salvation. How we play a role not only in our own conversion but in the conversion of others. As always, Susan never loses sight of the way this 'evocation' includes praying for the

holy souls in purgatory, just as Our Lady instructed the young children at Fatima in 1917. Charity was the essence of Maryâ€™s message to them when she asked that they work for the conversion of sinners through prayer and sacrifice. It remains her message to us.â€• David M. Carollo, Executive Director, World Apostolate of Fatima

â€œIn the Gospel Our Lord instructs that some types of spiritual conversion can only be accomplished by prayer and fasting. Susan Tassoneâ€™s St. Faustina Prayer Book for the Conversion of Sinners provides us a wonderful resource to help focus oneâ€™s prayer to complement oneâ€™s fasting. I highly recommend it for those seriously wanting to â€˜live the fastâ€™ and convert hearts and souls to Christ!â€• Andrew LaVallee, Founder and Director of Live the Fast

In these secular times that relish personal autonomy as the rudder of life, we are tempted to relish and even boast about our sins. Concepts of conversion, mercy, penance, and forgiveness are hard to digest in this age. Susan Tassone offers a compendium here that brings forth from the Churchâ€™s treasury of prayers and self-examen contributions on these subjects by select saints with Sister Faustina Kowalskaâ€™s mystical intuitions as centerpiece. This work invites a contemporary generation to revisit the Churchâ€™s proclamation of the infinite mercy and love of Jesus Christ. With citations from the Marian appearances appealing for the conversion of souls, this book will assist the pious soul to explore more deeply the freeing experience of conversion and an encounter with the mercy of God that can penetrate the cynicism of the age and draw the soul closer to the person of Jesus Christ.

Most Reverend Joseph N. Perry, Auxiliary Bishop, Archdiocese of Chicago

Once again Susan Tassone has taken the Diary of St. Faustina and culled gems that could be overlooked by even an expert on this saintâ€™s spirituality. (When St. Faustina tells of her efforts to effect a change in her sister, Wanda, I think of all the people for whom Iâ€™ve ever prayed.) Susanâ€™s superior writings on St. Faustinaâ€™s spirituality can help us each grow in holiness as we attempt to become a channel of Godâ€™s Mercy for others.

Father Dan Cambra, M.I.C., Holy Souls Sodality at The National Shrine of The Divine Mercy

Susan Tassoneâ€™s St. Faustina Prayer Book for the Conversion of Sinners is a must read! It not only will inspire you but renew your faith in the unfathomable mercy of God. Do yourself a favor: read this book, share it with others, and trust in the power of Godâ€™s mercy to bring about conversion even of the most hardened heart.
