Founded in 1947, Hal Leonard Corporation has become the worlds largest print music publisher, representing some of the greatest songwriters and artists of all time. We are proud to publish titles of interest to all musicians as well as music lovers, from songbooks and instructional titles to artist biographies and instrument price guides to books about the music industry and all the performing arts.

Five Stars would've been earned if the CD had contained piano accompanist music, but alas, it did not. The arrangements aren't bad and they certainly are TANGOs.

If you like tango music, this music book/cd is excellent. Can dance to these tangos very easily. These tangos are very expressive, have much feeling and are not difficult to play.

Typical of the series, an excellent learning tool. Nice selection of tunes, in various keys. Well worth your investment. Buy!
