Grade Level: Preschool - Kindergarten

## Customer Reviews

You can't go wrong with these Little Golden Books! My 5 year old loves them.

Grear

My 2 year old son loves theses books! We have Iron Man, Hulk, Spider Man, and just ordered Avengers, Thor, and Captain America. These Little Golden books are great for bed time. The stories are a great introduction to these Superheroes. They are long enough to tell a good story but short enough to read 2 or 3. Can't beat the value for the price!

Just the right amount of reading for preschoolers to kindergarteners/1st graders. It is more of an informative story about Ironman. MY son loves it.

I saw this golden book in a grocery store and the condition of the books were always beat up. So I was thrilled to find this one and the condition of the book arrived in MINT condition. No scratches, no dings, and the spine was Brand New and Never been opened! Fun artwork!!! It's probably my favorite modern Marvel Comics/Golden Books mash-up. I would buy from Billy Wrecks Books again in the future.

I love the color in the pictures but these books are very thin, hoping when I give them to my nephews that they last, you can't even classify them as comic books, more like a hand out. I think either way they will be able to appreciate them which is what I wanted.

My son used this for his book report and we receive great information from it, thanks.

My two year old is just now getting into super heroes, so I decided to surprise him with this book. He loves it. The vivid illustrations and short narrative made it perfect for an antsy boy.
