[...] As an artist, I love love LOVE the art in this book, I think its not only beautiful, but perfect for children. My son spent a lot of time just studying every colorful page. We read it twice in the first sitting because he was so happy! He's not yet 1, so getting him to sit still for story time is tough, and this book was such a hit he sat through it with nothing but a big smile and lots of pointing to the stuff he liked on the pages. I highly recommend this book :) Get it get it get it!"â "Customer Review "Written in a very simple way but with a profound message for both adults and kids."â "Customer Review "I LOVED it. Lots of repetition to help 'lil ones get used to structure and words! Many different words being used to help them improve their vocabulary (or pick the best word!). Most importantly, it sends a good message about how being unique and different is good. I STRONGLY suggest you check this book out!"â "ESLCarissa.blogspot.com "readers will emerge from this book feeling slightly more confident about themselvesâ "whatever their size."â "ForeWord Clarion Reviews Tags: Bilingual Children's Books, Bilingual Books, Emergent Bilingual, Bilingual Education, Foreign Language Learning, ESL, English as a Second Language, ESL for Children, ESL for Kids, ESL Teaching Materials, EFL, English as a Foreign Language, EFL Books, EFL for Children, ELL, English Language Learner, EAL, English as an Additional Language, Children's Picture Book, Dual Language, Foreign Language Study, ESOL, English for Speakers of Other Languages

Am I small? is the world's first World Children's Book - available for every country on earth in at least one official language.

This is a really cute little book. It's paperback and the paper quality is like a school workbook. It's durable enough that my 2 year old can turn the pages without ripping them, but my 10 month old can definitely do some damage. The illustrations are pretty, colorful, and interesting. The translation is accurate and the sentences are very short, 2 to 4 words, so it's ideal for a very young child (my 4 year old isn't interested).

I find the content and illustrations so so. My one year old daughter seems to enjoy looking at the colorful illustrations.I was disappointed by the quality of this book. It is basically printed on regular paper and bound together.

I had fun reading the book! The illustrations are lovely and they help you learn some words in a foreign language :) I bet kids would have even more fun with it than I did!

Although this is a very good book. It would have been great to have the actual pronunciations of the Czech words. Most books that have two languages, will have the pronunciation of the foreign language, in order to learn them. This book only has the American English and Czech language.
