Customer Reviews

Borch, a cartographic publishing company from Germany, makes tough, long-lasting maps with non-toxic, environmentally responsible lamination material.

Great map

I love laminated maps. They survive lots of hard use. This map is clear to read and has good transit info.

Full of good cartographic info, made to survive a lot of use.

Not as good as Streetwise map products products. The street index is very small and difficult to read.

as expected

Would be better in German also.
