Temptation Island: The Complete Collection (Taboo Erotica)

Synopsis

The complete and uncut collection of the "Temptation Island" series, by Anya Merchant. When Luke decides to take a relaxing vacation with the woman who raised him and the girl he grew up with, fate decides to bring them together in hot and forbidden ways. After their plane goes down over the Pacific Ocean, they find themselves stranded on a desert island. As the only man to have survived the crash, Luke finds it achingly hard to deal with his powerful and primal urges, which only intensify as the group begins to discover the true nature of their predicament. Will Luke be able to resist until rescue arrives, or will he end up at the center of his own taboo tropical harem?

Customer Reviews

This story goes where the regular run of the mill plots do not go. A lot of interesting material covering survival mode in a barren, burnt out world along with some enticing erotica to keep things from getting too serious. How will our young male survivor and his beautiful step-mom deal with what is to be their new every day life of staying alive in very close and intimate quarters? And what really are they to expect from the uncertain future? Only time will tell and time is moving fast

forward!

Great Read.

I enjoyed it, would like to see more chapters.

This is the third collection I've read by Anya Merchant, and wow, as with her other books I've read, this too was solid 5- Star entertainment. She definitely knows what it is that a man looks for in an erotic novel, I'd rate her work as the Gold Standard for this kind of thing. Excellent characters, exciting story, lots of great sex, and interspersed with enough action and adventure to keep you reading, wanting to know what's going to happen next.

Had to be a young man to perform like that!!!!

like story but main character too whiny
