I bought this for my 90-year old mother. She said that she loves it because the pictures are big with large coloring areas, easy to see.

I bought this for my 70 year old aunt. The pictures are not too detailed and is very easy to color. She loves it

Love coloring butterflies? Get this book, it's very nice!

Purchased book for residents in skilled nursing. Large enough for them to see while not being too adolescents for adults.

I love the big print, only thing I wish we better pictures, something not so childlike.

Nice large, easy to color pictures, perfect for anyone who struggles with the tiny patterns you mostly find in adult coloring books. Very cute pictures.

Great book, easy to color

this was a gift she liked it
