Customer Reviews

Check recipe before u proceed! Book obviously not proof read. Complete cooking instructions are missing occasionally. Ingredients listed, but not in directions or talked about in directions & not listed in ingredients! No website or resource listed for clarification. Don't waste your \$\$\$.

Fake reviews (same review by different people). This book has nothing to do with the actual Instant pot. It is a cash grab with a bunch of old crock pot recipes.

I'm disappointed by a couple of things in this book: The binding is blank white, so it's difficult to identify if standing in a book rack; and there's not much of an index, so it's hard to find the recipe I'm seeking. I found at least one error, too, when I flipped through the pages. One of the recipes supposedly takes "9 hours" and a number of minutes. Nothing really takes nine hours in an Instant Pot!

nice

Have not found a lot of useful recipes.

I gave it 2 stars only because I am a little upset that this book does NOT have 500 recipes but only less than 200.

This 500 Instant Pot Recipes Cookbook by Laura King was given as a gift to my sister-in-law. She received and reviewed it on 7.15.17. It is far short of 500 Recipes (only has approximately 180). Want to return the Cookbook and get money back. What is the process for returning this book?Â Instant Pot Cookbook: 500 Instant Pot Recipes Cookbook for Smart PeopleIn comparison, Jett Jones Instant Pot Cookbook was on the same order and was received and reviewed On 7.15.17. The book advertises 500 Recipes and it actually has 501.

This is NOT an Instant Pot cookbook. I haven't found one recipe yet that is anything other than a slow cooker recipe. If I wanted a slow cooker cookbook, I'd have bought one. I wanted a cookbook with recipes that would take advantage of the pressure cooking, rice making, and other features of my new Instant Pot. If there is such a recipe in this book, it is hiding.I am so disappointed I feel like it was a waste of money even at only \$0.99. I'd like my money back.
