Customer Reviews

Super!

As always, Lonely Planet does a great job highlighting the best places to go with informational reviews and not as much fluff as other travel books. The tips for women toward the end of the book are extremely helpful too.

This is a very comprehensive travel guide. I especially like Lonely Planet's sections on women and gays. Before you go anywhere you need to know if you will be safe and what the local customs are so you don't put yourself in bad situations unknowingly.

BEST guide for all things Jordan. It is invaluable. Don't hesitate -- this is IT.

Well done! It arrived in perfect condition and was exactly what we expected.

Great guide. A lot of useful details.

Very impressed with the amount of information compiled in this book. We found it very useful for our trip planning. Thank you.

Typical ---- well done Lonely Planet Guide
