Watercolour Tips And Tricks: Over 70 Essential Techniques For Painting Landscape Subjects

Synopsis

Uses basic supplies to achieve a variety of special effects in landscape painting such as wispy clouds, falling snow, jagged rocks, trees and surf. Readers will also learn the characteristics of different kinds of watercolour pigments and how they behave on paper. Features 43 mini demonstrations to show how to achieve the techniques, and 13 full step demonstrations to show how to apply them. --This text refers to an out of print or unavailable edition of this title.

Customer Reviews

Zoltan Szabo was born in Hungary and now resides in the United States of America. He travels across the country giving workshops and seminars on watercolour painting. He is the author of several books including Zoltan Szabo's Color-by-Color Guide to Watercolor/Zoltan Szabos's Watercolor Techniques. --This text refers to an out of print or unavailable edition of this title.

The translation to the Kindle ddi not go smoothly. The photo captions are in the text and often out of order or repeating the text. He likes ocean, snow and eastern mountain landscapes and there wasn't much relevant for this desert dweller.

I choose this book to expand my creative horizons in watercolor. The text is clear and there are many useful exercises that help the artist explore watercolor and some of it's possibilities. From beginner to advanced..you can't go wrong with this one. Highly recommended.

received

Excellent transaction. Highly recommend seller

Not just one artist's experience or viewpoint with various techniques. Many artists. I was impressed with the volume of options.

Over the years have added many of Zoltan's books and videos to my library of Art Books. A wonderful artist.

Excelente book !
