Customer Reviews

I love the plot, everything is starting to make sense! And oh is bruja going to get it, poor Jaden.

NOT AS GOOD AS A LOT OF OTHER BOOKS LIKE PERCY JACKSON BUT IT IS A REALLY GREAT BOOK SO I SUGGEST THAT YOU READ IT. BUT MAKE SHURE TO READ THE OTHER BOOKS FIRST SO THAT YOU NOW WHATS GOING ON!

I really want you to more more books. this is my number one serie books. im 13 dont judge what i say. :(

Don't think for a second I'm exaggerating when I say EVERY BOOK BY REAL COMICS IS DEMONIC. It kills me because they're really good quality. Real Comics, I don't understand why you have to include all this demon magic stuff. Things CAN be cool if you don't have demons! It's possible! That being said, if your spirit (yes, I'm talking about religion on the internet) is okay with this kind of stuff, this is well worth reading. Good story, good art; all things considered, the only reason I don't like these books is because they are pretty much all demonic.
