Amelia And The Viscount (Bluestocking Brides Book 1)

Synopsis

“No eligible bachelor wants to marry a bluestocking (especially not those frightful Chadwick girls).” — Lady Jersey, Almacks Patroness. Amelia’s writing was often prone to getting her into trouble. Hence why she eventually took on a penname. But it seems, once again, her unthinking need to spill out everything onto paper will land her in hot water. After her sisters persuade her the only way to get over her love for Lord Nicholas Wentworth is to write about him, Amelia devotes hours and hours of ink to the subject. However, she never expects for Nicholas to end up in possession of this information. How could she admit her affection for him when she knows full well he is still in love with her now married sister? To save herself embarrassment—and more importantly to keep her penname hidden—Amelia must find a way to intercept these letters, and if she cannot, she must persuade Nicholas it was all some awful jest and that she is certainly not A. Hardwick’s purveyor of stories so scandalous that it would mean utter ruin for all the Chadwick girls should the truth come out.

Customer Reviews

A nice build up to what promises to be a good series. I love intelligent Heroines and men who appreciate them. I have already purchased the second novel in the series, ' Julia and the Duke'. I'll let you know how it turns out.

I liked this story. I relate to the unrequited love and it was nice to find a story where the guy finally gets it and figures out who he really loved all along.

I love this family of unconventional women. I'd like to think that I'd have the guts to be myself. Definite applause for a great couple.

Engaging new series by Samantha Holt. Short entertaining read, nice storyline and flow, and great price. Look forward to the rest of the series.

I am looking forward to reading about the rest of the Chadwick sisters. Anyone who likes Maggie Fenton's books will also like Sarah Holt. Her characters are strong, distinctive, and interesting. Her writing style is funny and fast-paced. I look forward to reading full length novels by her.

Funny story! All the sisters are real characters. Cannot wait to read Samantha's road to true love.

Loved this book too

AMELIA AND THE VISCOUNT is the first book in a series about the Chadwick sisters, four unorthodox ladies who either don't want or don't expect to ever find love. The oldest sibling Amelia however, discovers it with Lord Nicholas Wentworth, a close neighbor and friend of the family. But when Nicholas gets his heart broken by the wrong Chadwick sister, he realizes that he's been blind to the one lady who is perfect for him in every way...Although only a novella, this story captured by attention from the very first chapter and never lost its hold. I loved the closeness of these sisters, as well as each of their unique personalities. Amelia was sweet but adventurous, which was the perfect counterpart to Nicholas's wild and daredevil self. My only complaint would be that she spent more time with her sisters than she ever did with him. Since each sibling has now been introduced though, I'm hoping the other books will have the hero and heroine together more often than this one did. I still thought it was a cute and charming little romance though, and was left with a smile on my face when it ended. I'm looking forward to "Julia and the Duke" next, and have already pre-ordered

it =)
