This was a gift and she loved it. She said the maps were so beautiful she did not want to write on the calendar.

I happen to love antique maps, and this calander is perfect for someone who does. I bought the 2015 edition last year at a mall kiosk the day after January 1st, and only paid 5\$ for it there. Was slightly disappointed when I purchased this after Januraury 1st of this year and paid about 3 times the price.. Great size for writing down dates.

Our grandson was delighted.

My husband is a history buff, so he loved this calendar! Wish I got it earlier!

Great calendar. Is as pictured

Good calendar, the pictures could be bigger and more clear.

It's a beautiful wall calendar for anyone.

I bought it for my daughter. She loves it.
