Illustrated Microsoft Office 365 & Office 2016: Fundamentals

Synopsis

Whether you're a computer rookie or a pro, you can master Microsoft Office 2016 applications quickly with ILLUSTRATED MICROSOFT OFFICE 2016 & OFFICE 365 FUNDAMENTALS, part of the popular Illustrated Series. Using a focused, user-friendly format, a two-page layout allows you to work through an entire task without turning the page. The book's easy-to-follow presentation highlights Learning Outcomes that outline the skills in each lesson. Larger full-color screen images reflect exactly what you should see on your own computer. Each module begins with a brief overview of the principles of the lesson and introduces a case study for further application. New coverage of Productivity Apps visually introduces Microsoft OneNote, Sway, Office Mix and Edge using fun, hands-on activities. Companion Sways provide videos and step-by-step instructions to help you master each app. In addition, MindTap and SAM online tools help you focus your study for results now and success later on the job.

Needed it for a class. It came as expected in lighting fast time.

Book arrived in great time and fine condition. The product was as described.

okay

Easy to use good for class easy on line Will recommend to anyone in college. Hmmm lets see what else

Disliked not having the downloaded material to accompany the independent challenges. Please allow the rented books to also come with that material, it is helpful in understanding the work that is being done.

It was not the correct product
