Customer Reviews

This book taught me the ropes of playing Texas hold em poker! Now I'm able to understand the game better and finally win some money!

Excellent book. 40 pages only .Very satisfied!

Great product!!

Badly written! Not enough information!

This book has - like a lot of books offered on Poker - less than 40 pages. I do not understand why this site is offering them. The content is nothing the reader cannot find on the web for free. After receiving this "book" I was pretty upset and returned it.

Steven Hartman's "Poker: How to Play Texas Hold'em Poker" is an excellent learning tool and a great introduction to this,now the most popular poker game in the world.

This book has helped my poker game very much. I used to always lose on what I thought was a good hand but really wasn't. Thanks for the help
