Get Started In Writing Science Fiction And Fantasy: How To Write Compelling And Imaginative Sci-fi And Fantasy Fiction

Synopsis

YOUR COMPLETE GUIDE TO WRITING AWESOME AND AMAZING FICTION FROM ANOTHER DIMENSION. This is an authoritative and engaging introduction to writing science fiction and fantasy for the complete beginner. This book provides all the information, guidance, and advice you need to write great science fiction to captivate your readers. It will help you understand how the genre works, the big dos and don'ts - as well as giving you the inspiration and motivation you actually need to write. Written by a leading science fiction novelist and a Professor in Creative Writing at the University of London - you'll discover how to let your creativity flow, create incredible worlds, and get your novel finished.

ABOUT THE SERIES The Teach Yourself Creative Writing series helps aspiring authors tell their story. Covering a range of genres from science fiction and romantic novels, to illustrated children's books and comedy, this series is packed with advice, exercises and tips for unlocking creativity and improving your writing. And because we know how daunting the blank page can be, we set up the Just Write online community at [tyjustwrite](http://tyjustwrite.com), for budding authors and successful writers to connect and share.

Customer Reviews

A great guide for first time writers. It does everything it promises: to get you started in writing science fiction and fantasy, and even goes several steps further giving you a rounded preliminary education on how the world of writing and publishing works. An engaging, informative read which kept me interested throughout.
