Yes. The preparation is very well instructed and I nailed down the Beef Wellington Menu. Love this cook book.

WONDERFUL book!!! Arrived in mint condition.....THANK YOU :)

Great cookbook with some excellent recipes.

The book arrived in a very good condition - We had watched Gordon Ramsay on the TV (BBC) and found his turkey recipes excellent

just what i was looking for. The cookbook was in fantastic condition as it was stated. Cant wait to try some recipes.

I really like Gordon Ramsay, and know he is an excellent chef. My problem is that I am NOT. I bought several of his cookbooks, but I am not even equipped with all the right tools in my kitchen, not to mention spices and herbs that are needed for many recipes. Therefore, I really can't use the books of his that I bought. I really wish I knew more, had more tools, and was a better cook in general. I think that someone who is at a HIGHER level of cooking than myself would really enjoy his recipes. His food sounds great.

this is a cookbook for everyone that loves to cook .and easy recipes to make for all your love ones.
