Customer Reviews

I bought this for my college daughter who had to read the book for class. Many of her classmates struggled with the book and were doing poorly on the tests. Since my daughter had the SparkNotes, she would read the book then review the SparkNotes and did very well on the tests. I give SparkNotes an A+ and so does my daughter. We only wish there were SparkNotes for The Yellow Birds.....

I went on line and looked up the spark notes that I needed. I Never left home and I never stood in line. I was very pleased when it arrived so fast and the product was exactly as described. I would absolutely recommend this seller due to the outstanding customer service I received

Well written so the reader can gain more connections from this classic.

great help
