Customer Reviews

I used this map much more then I thought I would so I am happy with it, although it is now torn from use, it is just paper.

I like the ability to view several states at one time instead of flipping through an atlas or unfolding multiple state road maps. Fulfills my requirements.

Your average map. Will be perfect for my road trip!

Its ok. Cheap but as advertised

GOOD MAP FOR THE WESTERN U.S.

nice a realiable for the roads!

Instead of the pictured 2008 version I received the latest version, 2014. No complaints.

Came in handy for our trip.
