Great price.

lots of water damage

Very bad condition.

This was required for a class but the teacher tested on lectures and powerpoints. The book however might be helpful if you are an accountant or are aspiring to be an accountant in the hospitality industry.

its a brand new book though it sold as a secondhand book! no highlights whatsoever. totally recommendable! shipping was not that impressive though

Good

Great book, free of markings or blemishes. All the pages are pretty much perfect, the book is in great condition! I'm very satisfied with the book; it matches the description perfectly.

I purchased Hospitality Industry Managerial Accounting textbook, for my managerial accounting class at the University of Houston. I was satisfied with my purchase and with as usual. This is a book that I will keep for life.
