Winter's No Time To Sleep! (The Adventures Of Sophie Mouse)

Synopsis

Sophie and her friends accidentally awaken a hibernating hedgehog in the sixth book of The Adventures of Sophie Mouse! Winter has finally arrived in Silverlake Forest and Sophie and her friends are having some snowy fun! While playing one day, they accidentally wake a hedgehog named Pippa who has been hibernating all winter. Though Pippa is a little foggy at first, Sophie, Hattie, and Owen show her all the fun things to do in wintertime. There's ice skating on the pond, sledding down snowy hills, snow-animals to build, and so much more! The only problem is now that Pippa's awake, will she ever be able to get back to sleep? With easy-to-read language and illustrations on almost every page, the Adventures of Sophie Mouse chapter books are perfect for beginning readers.

Poppy Green can talk to animals! Unfortunately, they never talk back to her. So she started writing in order to imagine what they might say and do when humans aren't watching. Poppy lives on the edge of the woods in Connecticut, where her backyard is often a playground for all kinds of wildlife: birds, rabbits, squirrels, voles, skunks, deer, and the occasional wild turkey. Jennifer A. Bell is an illustrator whose work can be found on greeting cards, in magazines, and in over a dozen

children's books. She lives with her husband, son, and cranky cat in Minneapolis, Minnesota.

Winter's No Time to Sleep!

This series of books is amazing. We are reading them to a 3 & 5 year old at bed time. They are so excited to go to bed because it is story time and they can't wait to find out what happened next. Each book is full of adventures and laughs. There is a lesson to be learned in each story and the kids get the message. It's great. We read the first 2 and then couldn't wait to get all the rest.

Started reading chapter books to my grandkids, 3 and 5 years old. These chapters are just long enough to push and expand their attention span (in a tech-filled instant world), and have enough pictures still to keep them interested.

Buying the entire set of Sophie Mouse books for a birthday present for a grandchild.. Cute stories and lovely illustrations.. Good pricing on . Ellen P.

Good choice of a book for my 7yo. It's such a sweet book with cute pictures which she loves. Best of all, no bad attitude after reading it! Recommend!

My 7 year old daughter LOVES these books. She is on book 9 and absolutely adores these books. I love how there are pictures throughout to keep her interested. Plus there are some challenging words to increase her reading level.

its a tad boring for a series but my 6 yr old likes it. for the price it was worth trying

Great series for young girls.

This is a great series. If you want to get you child to read, this is the set. Purchased one book for our granddaughter, then got the whole series because she enjoys it so much. Even her brother loves it. They didn't want me to stop reading after two chapters, always wanted to go on.
