Letters To A Troubled Church: First And Second Corinthians

Synopsis

Your faith is challenged daily. We live in a society that has few absolutes, where truth is defined by personal philosophies. It's really not so different from the culture of Corinth during the apostle Paul's ministry. Believers were struggling with the gray areas of life, so Paul wrote letters 1 and 2 Corinthians to remind them of what God intended as black-and-white. In *Letters to a Troubled Church*, Bible teacher Ray Stedman uses Paul's epistles to guide us through difficult matters.

Customer Reviews

How do you live a God-honoring life in such a depraved world? The question applies to the society we live in today, but it's been a challenge since sin first burst into the human experience.

When the apostle Paul was teaching, believers in Corinth faced this struggle, and Paul wrote letters 1 and 2 Corinthians to help them. Bible teacher Ray Stedman uses Paul's writings to the Corinthian Christians to guide us through difficult matters and moral gray areas. We are all bombarded with the immoral influences of the culture around us, but God stands firm on what He says in Scripture. *Letters to a Troubled Church* pinpoints the truth as God intended, offering encouragement for Christians today.

Ray C. Stedman (1917-1992) was one of the great pastors, expositors, and spiritual leaders of the twentieth century. A graduate of Dallas Theological Seminary, he was pastor of the Peninsula

Bible Church in Palo Alto, California, for 40 years. With over 20 books to his credit, from the empowering *Spiritual Warfare* to his insightful commentary *Adventuring through the Bible*, Stedman spanned the experiences of the Christian life with his writing. His book *Body Life* had a tremendous impact on the church in the twentieth century.

Ray Stedman does it again. Learning of the trials of the early church, has given me a much greater appreciation that the church is still in existence today. Next to Romans, this is probably my favorite of the Pauline epistles.

Stedman always gives a fresh yet scholarly approach to any Bible book. He writes as a theologian and pastor, for head and heart. Pastors will find it valuable.

super to read and follow him in his thoughts and writings. I'm blessed.

I'll read this over and over again. Very applicable and accurate with necessary encouragements,

An excellent commentary - well written and reliable

Another great book. Wish I could have met Ray in person.

Happy

Letters to a Troubled Church: 1 and 2 Corinthians is very well written and has comments appropriate to today's issues as well as describing the issues in Paul's day.
