Beck Bait (Young Adult Romance)

Synopsis

When the guy you thought you hated becomes the boy you can't stop thinking about (in a steamy, breathless, heart-pounding way)--and you find out HE might be feeling that way about you too (and maybe always did) you might, possibly become "Beck Bait." Well ... if your stalker/tormentor/heart-throb is named Beck. And the whole freaking SCHOOL seems to know he likes you (if he really does). My name is Alyssa--but Beck never calls me that. He calls me "Rocky" ... because I threw rocks at him. (To be fair, we were only eight at the time.) (And they were small rocks.) Now we're in high school. These days, I'd like to throw something else at him--me. Oh wait, everyone at school is already doing that! I'm their Beck Bait. (I just want to kiss him.) No other book needs to be read before this--it is a standalone romance.

Note: Beck Bait is a two-hour read. There is a romantic teen short story added as a bonus at the end, as well as chapters to Melanie Marks' newest novel, Little Dancer. From Melanie Marks, the author of Fall For Me; and His Kiss (Newest book: My Stepbrother's Kiss) Update: Melanie's newest book is: THE PLAYER (plus: Ally Has Amnesia)

Customer Reviews

It's fun to add more characters to the original Ally and Griffin group. This isn't my favorite. It seemed to me the erratic, non linear story line, which is classic for these books, was more on purpose in some of the earlier books. It made this book seem impulsively put together. I'm certain that isn't true. And I still enjoyed the narrative style, all teenage angst. Some of the most recent books seemed more repetitive. Of course I'll still read all the books that come out on kindle unlimited. The title is helpful, it lets me know which characters are involved so that's a good change.

I love that it was so romantic but made sure that roxy aka Alyssa had feelings but also hated beck at the same time.I wish there was a sequel or that it was longer.I wanted to know what happened afterwardsDo they have challenges pulling them apart or does Rocky or roxy end up married to beckI wish I knew what Alyssa twin sister ended up doing and if Alyssa boyfriend who cheated on her ended up leaving them aloneThat's what I'd like to knowAlso I'd like to know if our when a sequel comes out

The "book" part was good but in my eyes it should not have cost anything, it should have been a free book due to the fact the book only goes to 48% the rest is intros to other books..... highly disappointed

I liked the storyline, but disliked how short the story was. Wished it was a bit longer. I would recommend this book to my older sister.

It was a super cute book. It kept me interested the whole time. The only problem was that the book was short and I wanted it to be longer. Overall though it was a good book!

Cute short love story!!! Love this series!! It's awesome to see how all the characters are interconnected! It's passionate and heart warming!!

love Melanie Marks books truly love the griffin and allie story would love to see it end with their marriage

It was a great book
