The Humanistic Tradition Volume I: Prehistory To The Early Modern World

Synopsis

Interdisciplinary in approach and topical in focus, the sixth edition of *The Humanistic Tradition* continues to bring to life humankind's creative legacy. With more than 800 illustrations and some 150 literary sources in accessible translations, this widely acclaimed humanities survey takes a global perspective that is at once selective and engaging, and helps students better understand the relationship between world cultures. Available in multiple formats, *The Humanistic Tradition* examines the political, economic, and social contexts out of which history's most memorable achievements emerged.

Customer Reviews

Gloria Konig Fiero was born and raised in New York City. She earned her Masters degree in Art History at the University of California, Berkeley, and her Ph.D. in Interdisciplinary Humanities at the Florida State University. She has taught Humanities, World History, and Art History for more than twenty-five years. She has written and lectured extensively on medieval and renaissance topics and on the arts of both East and West as they reflect the human condition. She currently divides her time between New Orleans, Louisiana, and New York City.

Awesome, This book was in better condition than the one I have to replace for 1/3 the cost. It's a well enough written book that I'd like to someday own it for myself but unfortunately I have to return this one to my schools bookstore.

I purchased this book and Volume 2 for my PHIL 106 class. They are both very well written and well laid out. They are both chocked full of great information for the aspiring student.

what it's supposed to be

working good

It came in better shape than described!! always great getting something better than expected (;

Loved it

College books are without a doubt exorbitant. I am so pleased to have found the book I need for class at such a great price. Shipping was speedy and it came in excellent condition for a used book. I'd definitely recommend. Thanks.

I used it for a class it was okay
