# The Hypnotic Gastric Band

## **Synopsis**

DO YOU WANT TO LOSE WEIGHT? HAVE YOU TRIED DIETS AND FAILED? DO YOU WANT A COMPLETELY NEW APPROACH? A Gastric Band is a radical, surgical operation that reduces the available space in the stomach. Paul McKennaâ™s Hypnotic Gastric Band is a psychological procedure that can help to convince the unconscious mind that a gastric band has been fitted, so the body behaves exactly as if it were physically present. HOW DOES IT WORK? Along with the book, the system contains a link to download the hypnosis audio and an instructional video to provide complete support for physical and psychological change whilst you lose weight. Thereâ™s no physical surgery, no scarring and no forbidden foods. Just follow all the instructions and let Paul help you lose weight. THIS EBOOK CONTAINS A CODE TO DOWNLOAD THE AUDIO AND VIDEO.

## **Customer Reviews**

Love it! Listen to it 3-4 times a week. It helps, it works!

I've used his other product - I can make you thin - and it helped. This is not working for me.

Amazing, so easy and I have already started to lose weight. Had my doubts at first but I am so glad I took the steps to do this. Make sure to follow all the instructions and don't try to take short cuts. Highly recommend it to anyone struggling with weight problems and I understand as I have tried so many things in the past, this is the best.

I love all of Paul McKenna's books. It is great to have a CD and DVD with the book as this one is. It is always worth trying! It is great!

No written script provided. Not very informative.

Excellent resource and I highly recommend this book.

Total waste of money. I have never been so disappointed in a product. not worth the paper it was printed so poorly on!

Really liked this - was hoping for I guess more gusto. I used it like crazy and was hoping for more weight loss. As Paul said I might not be following the program exactly. But I Love both of his CD's.
