The Temporary Amish Nanny: Amish Romance (Amish Misfits Book 5)

Synopsis

After working as a nanny for Amish widower, Nathan Beiler, for two years, Marta is frustrated. Years ago, Nathan said he would marry Marta, but no date was ever set. Marta had to get away to consider how long she could live with the uncertainty. Time away from him would clear her head. There was only one problem. She had to find a temporary nanny, and she had to be Amish, but who? Her best friend's younger sister, Deborah Fisher, was a perfect choice. Not only was Deborah too young for Nathan, she was plump and plain. A woman like that would not turn Nathan's head and might make him miss her all the more. Not long after Marta leaves, she wonders if she's just made the worst mistake of her life. What will Deborah do when she too finds herself falling for the handsome Amish widower? Also in the Amish Misfits series: Book 1 The Amish Girl Who Never Belonged Book 2 The Amish Spinster Book 3 The Amish Bishop's Daughter Book 4 The Amish Single Mother All Samantha Price books are clean and wholesome reads.

Customer Reviews

I enjoyed how this storyline was written. Nathan chose kindness over manipulation and he really thought about his children's wellbeing.

Good book to read.

Easy to read. Kept my interest. Romance.... Recommend to single girls.... But I still enjoyed it, even though happily married for 56 years!!!

Samantha Price has out done herself again with this story about a young Amish girl who never gave it a thought to become a nanny. Deborah was never really a friend with a young girl by the name of Marta so what took place one day when Deborah's sister came by to visit and asked Deborah if she ever thought about being a nanny and that she knew of someone that was in need of one right away. That is of course you already had a job in mind that you hadn't told anyone about. Deborah says, why are you asking me of all people, well her sister then says that her friend Marta was having to go and take care of her grandmother, who was sick and that the man that she was engaged to needed someone to care for his girls while she is gone and that she just figured that Deborah would make a good choice for this job. Deborah thought for a minute, it did sound like a chance to be around children if she was ever herself going to marry later on in her life. So she tells her sister that she will take the job and when will she start. The next day Deborah goes to get ready and her bike is not working so she ended up having to run so that she wouldn't be too late. Deborah made it but was still a couple of minutes late, but Nathan was okay and said, that he was just happy that she was there and they would talk later. Deborah figured out why Marta has asked that she take her place because she was overweight and would not be thin and pretty and take her place. Now it is up to you to read this awesome story and find out just what really did go the way for Marta. Please let the author know how much you loved this story and then make an awesome review letting others know that they also need to read, after also make sure you tell your friends about this book and also that there are four more books in this series that need to be read, they all are very good and they also need reviews about them. I have read all of them and enjoyed them very much and I want others to have this pleasure.

THE TEMPORARY AMISH NANNY is a wonderful new addition to Samantha Price, Amish Misfits series. After Marta decides she is waiting in vain for two years for Nathan to set the date for their marriage, she goes away to think and stay with her grandmother. Who will take her place? She asks

her best friend's sister Deborah to take the job temporarily. Deborah would not turn Nathan's head and maybe he would miss Marta and send for her sooner. As love would have it, Nathan's brother has returned to the community and truly in love with Marta. After a while, Nathan discovers he is ready to move on and he wants to do it with Deborah. Samantha has such a sweet way of telling a story and this is not an exception. Every character has a story and each is so important to the whole book. You will love how this one unfolds and I am sure you will be so happy with this addition to Samantha's Amish misfits. I can't wait for the next one. Thanks again Samantha Price for a wonderful adventure.

I enjoy Amish books. Many are very short. The Temporary Amish Many is a little longer with well developed characters. The chapters switch between characters which allows the reader to get to know them.

I chose this book because it was listed under Christian novels. I will tell my friends that if they want a refreshing, real tale to read I have an author for them..v

This book was very well written with a little suspense. It kept your interest that you were unable to put the book down.
