Bachelor Girl (Little House Sequel)

Synopsis

In this eighth and final book of the Rose Years series, Rose has become an independent young woman. She leaves RockyRidge Farm, first for Kansas City to learn how to be a telegrapher, then for San Francisco. Her dream is to work for a year or two, save a little money, and then marry Paul Cooley, her childhood sweetheart. But the big city has all sorts of surprises in store for Rose, and she finds that she's destined to travel a road she never even imagined.

Grade Level: 3 - 7

Customer Reviews

"The story centers on Rose's adventures and scrapes, and like its models, pays tribute to the strength and security of a close family." -- "Publishes Weekly" "A fine continuation of the beloved chronicle, in similar attractive format (including quietly evocative soft-pencil illustrations of places and things). . . . Peaceful, wholesome fare." -- "The Kirkus Reviews" "Wilder fans will eagerly absorb this latest offering, and a few of the chapters will make terrific read-alouds."-- "ALA Booklist" "A worthy continuation of [the Little House] series."-- "School Library Journal"

Roger Lea MacBride, a close friend of Rose Wilder Lane's, was the author of the Rose Years

novels. Dan Andreasen has illustrated many well-loved books for children, including *River Boy: The Story of Mark Twain* and *Pioneer Girl: The Story of Laura Ingalls Wilder*, both by William Anderson, as well as many titles in the Little House series. He lives with his family in Medina, Ohio.

My daughter and I started off reading the Little House books together. We enjoyed them so much that we started looking for other books similar to them. We didn't realize that there were stories about other women in that family. We are thoroughly enjoying reading about all 5 generations of the family. While the books about Rose, Caroline, Charlotte and Martha are not quite as enjoyable as the original series, they are still a must read for any Little House fans. I would recommend them all.

I ordered this for my granddaughter who had read the other books from the series (mostly from the library). She could not find this book at any library and was thrilled when I gave her her own copy.

I read the Rose series out loud with my 9 year old and it was wonderful. Rose is a grown woman in this volume, and you really feel for her when she experiences hardships and heartbreaks. Knowing how she was a "founding mother" of the Libertarian party made this book all that more interesting because she was promoting socialist causes at this point in her life.

Daughter love this book

My children love these books!!

Enjoyed reading about Rose's life and hearing about her parent's Laura and Almanzo. I was sad that this was the last book in the series. It leaves you wanting more!

Very good

I've loved all the other books in the Little House series. This was junk. I am truly sorry to have purchased it and will not be reading it again.
