Polo In India

Synopsis

This unique book tells the story of Indian polo from the earliest incarnation of the modern game in Manipur right up to the present day. From the British tea planters and army officers in India who first witnessed the game in the early 1800s to the Indian Army, which made an enormous contribution to keeping polo alive after Independence, this fast-paced and exciting sport has attracted a legion of loyal fans. Traditionally a royal sport, the Indian princely states of Patiala, Jodhpur and Jaipur did much to advance the popularity of polo in the early twentieth century, producing some truly iconic players. In the 1980s the sport was revived by another princely state Udaipur.

Customer Reviews

Jaisal Singh played his first chukker of competitive polo at age 14, and has been involved with the game ever since. As a keen historian with a particular interest in the origins and subsequent growth of the game, especially in India, Jaisal Singh is a prominent figure on the Indian polo scene and a renowned commentator on the sport. He has represented the Jodhpur polo team among others, both at home in India and extensively abroad. He recently formed his own team, 'Sher Bagh Tigers', which won the Rajputana and Central India Cup and the Hermes Cup. In 2000, Jaisal Singh established 'Sher Bagh', an eco-friendly, luxury tented camp just outside the Ranthambhore National Park in Rajasthan, which the Tatler Travel Guide listed as being among the Best 101 Hotels of the World. About the Photographer: PRIYA KAPOOR did her BA in History from Royal Holloway, UK and her MSc in Media and Communications from the London School of Economics. A keen interest in history has led her to work in the capacity of photo researcher and editor for highly acclaimed books such as The Nehrus: Personal Histories and Made for Maharajas: A Design Diary

of Princely India.

When you love polo, you should never forget from where it's coming. From Asia. So it's quite interesting to read something about polo in India and the history. A lot of old and some new fotos. It's about a part of polo history. I would say a nice coffee-table-book. So why not?

Well written and well researched book on the game of Kings....polo. The photos supporting the text are absolutely outstanding. Great Book

Very good history book about Polo in India and India in Polo all over the World.
