Joseph M. Marshall III is a member of the Sicangu Lakota (Rosebud Sioux) tribe. He has appeared in television documentaries, served as a technical adviser for movies, and was a technical adviser and narrator for the miniseries *Into the West*, in which he played the role of Loved by the Buffalo. Marshall is the author of numerous books, including *The Journey of Crazy Horse: A Lakota History*, *The Day the World Ended at Little Bighorn*, *The Long Knives Are Crying* and *The Power of Four: Leadership Lessons of Crazy Horse*.

I thought there would be more variety in the illustrations. Every other one is horses, and the style makes all of them look pretty much the same - fighting warriors - and not at all appealing. My intention after the year was out, since I usually love everything native american, was to possibly frame these as I have with other calendars, but now I think I will only choose one or two of these to frame - Wisdom and Perseverance. Overall quite a disappointment.

I first encountered "The Lakota Way" several years ago through the audiobook read by the author, re-played several times as my husband and I wandered among the natural wonders of the southwestern states. This was a very moving spiritual experience for both of us. The calendar is a welcome daily reminder of that time and provides a perfect means - for me - to keep track of future commitments and the need to "keep going" - as the author's grandfather advised.

It is perfect. I especially like the Lakota words for the months. I am looking forward to the life lessons on the pages to come. Thank you!

Nice artwork, a beautiful calendar. Probably frame some of the pages when the calendar becomes obsolete next year. I gave it to my college math teacher wife. She put it on her door. A lot of her students have asked her where she got it. They are impressed, too

I love it. The pictures are wonderful. Each month is shown a virtue and in this cruel world man should stop a moment and think different and better. I also enjoyed for the respective month of the Sioux (Lakota). Very highly recommend.

Beautiful Pictures.

The artwork and writing are same or similar to past couple of years. While the artist is spectacular, the pictures are so similar. If you're buying for the first time, you'll love it.

bought for my husband who has been in inmate for 25 years and believes in the way of the Lakota Indians, has been a great help for him to keep his every day in order..thank you..
