Jan Faust Dane is a frequent collaborator to Edible Rhody and Rhode Island Monthly, and the author of eat.shop denver, eat.shop montreal, and eat.shop rhode island and the coauthor of eat.shop miami and eat.shop nyc. She lives in Pawtucket, Rhode Island.

As usual, the great info and local tips you get from books in this series are marred by dozens of typos and grammatical errors (they misspelled Massachusetts, for crying out loud). I've already looked up one listed URL that doesn't seem to have ever existed (as opposed to defunct one for a shop or restaurant that's gone out of business). There are reversed photo images and typography issues as well. A bit more attention to detail would make this book sensational; for now, it's a great

source of info, sloppily packaged.
