Henry Durden is a life coach and public speaker. From meeting with friends, family and clients throughout the years, he has decided to share his tricks and tips with the world. Henry will be usually found traveling with his family around the world, experiencing new cultures. He loves to travel to foreign lands and always planning the next adventure. His favorite destination is of course Kyoto, Japan. In his eyes, it is one of the most majestic and enlightening places in the world.

This lovely book captures the beauty, thrill, and peace of Kyoto. I lived briefly in the city decades ago, and the gorgeous photos and evocative text brought me back. From my snowy home in North America, I could smell the early spring plum blossoms, hear the temple bells and taste the flavor of one of the world's most wonderful cities. I especially loved how Clancy blended history and modern life, and am especially grateful for the insight into Japanese gardens. I only wish I had had the book to guide me when I was in Japan, but I would definitely recommend it to anyone who plans to go to Japan, and wants to delve deep into the spirit of a complex culture that combines ancient traditions with the dazzlingly trendy.
