My seven year old absolutely loved this book. Read it in one day laughing out loud the entire time. He is a reluctant reader so I am so happy he is enthusiastic about this book.

My 8 year old has read the first book 100+ times and still laughs. He's been dying for the second and seems to enjoy it just as much. Well worth the money and looking forward to getting him the third!

My son loves this book. He is in first grade, but is a strong reader. He laughs out loud when he reads it! He told me that he prefers Dog Man Unleashed to the original Dog Man. Well worth the purchase to encourage reading!

My 8 year old son loves these books. They are written comic book style and meant to look like a kid wrote the book. I hear him laughing while reading them all the time. Not a huge academic read but very entertaining to him. Some times reading should just be fun. :)

I loved the part where the kids are like, what's a mailbox? And she says beats me! Ha ha! And when he says what's an apple watch? And just makes a dent in the treasure tank!

My 9 year old son loves this! Read it right away.

My 10 year old, who has a real dislike to reading--is super hooked on this series! I cannot wait for #3 to come out! He read one and two in the series VERY fast! It kept his attention and he was thoroughly entertained! The author does a great job with keeping the kiddos wanting more!*** My opinions are my own and we're not influenced by the seller in anyway. As most people, I make sure to look through reviews of an item before making a purchase online. Therefore, I do try to review each item as honestly as possible. If you have any questions at all, please feel free to post in the comment section and I will be sure to answer whatever I can. Its greatly appreciated because it helps me to! Thank you.
