Legal And Ethical Issues In Health Occupations, 2e

Synopsis

With balanced coverage of both legal and ethical issues, this text provides a foundation for handling common challenges in everyday practice. Real-life examples and case studies help you apply the book's concepts. For easier reading, content is presented in short, concise chunks. Expert author Tonia Aiken shares insights from her years of experience as a nurse, attorney, and public speaker to guide you through issues that may arise in practice, as well as the "danger zones" in clinical situations that could escalate into conflict or dispute. A user-friendly outline format makes information easy to scan. Objectives for each chapter highlight what you are expected to learn and keep you focused on important information. Summaries at the end of every chapter reinforce essential concepts. Study Questions test your knowledge of the material. Recommended Readings list sources for further research. What If? boxes present ethical dilemmas and help you apply concepts from the book to real-life examples. Updated Case Studies discuss the issues faced in a variety of healthcare settings. A revised Imaging Liability and Litigation chapter describes how society holds healthcare workers accountable in the workplace. Important HIPAA information includes the latest privacy guidelines along with ethical and legal implications.

Customer Reviews

ok

thnaks

I need this book for classes, was great to get more information for research. Would recommend for those who might like more information in legal issues.

The book was exactly as described and came earlier than expected which is always a good thing! I was very pleased with this purchase.

A must read for anyone in the medical/health professions. Some intense chapters, but overall a very interesting read. I learned a lot from it and loved all the realism it added to my course work.

I really thought this book is well put together. It made it easy to follow with the great descriptions. Awesome book!

it didn't even look like it was used so I was happy with the purchase. were able to send it to me fast as well.

thank you!
