The Stormrider Surf Guide – Madagascar And The Mascarenes (The Stormrider Surf Guides)

Synopsis

This corner of the Indian Ocean warms its hands closest to the fiery Roaring Forties low pressure systems that blast out a constant procession of quality swell events across the bottom of the basin. Madagascar is by far the biggest landmass in this watery wilderness, catching the lion's share of the power on a multitude of southern reefs. Just to the east, the Mascarene Islands peep above the ocean parapet, copping a volley of SW swell and are peppered with famous, classy line-ups, hunkered down on the east coast out of the ever-present E trades. Further north, the obscure archipelagos of the Comoros and the swanky Seychelles both have a few draw cards, away from the masses, in a tranquil, tropical setting. The Stormrider Surf Guide Kindle ebooks are just part of the worlds best selling and most respected collection of surfing guide books. The Stormrider Surf Guides come in just about every format possible including paper, Itunes App and now the Kindle edition ebooks. They are the only comprehensive colour guides to the coastlines of Europe, North America, Central American and the Caribbean, Indonesia and the Indian Ocean, South America, Africa, East Asia, The Pacific and Australia. The authoritative text includes oceanographic, environmental and cultural notes on the entire coastlines. Each guide contains numerous full colour maps and superb photos of the best waves, shot by the best photographers. All information is compiled with the help of local riders whose sensitive approach enables an accurate and knowledgeable appraisal. An essential tool for surfers searching for their perfect wave.

Book Information

File Size: 3619 KB

Print Length: 83 pages

Publisher: Low Pressure Ltd; 1 edition (August 30, 2011)

Publication Date: August 30, 2011

Sold by:Â Digital Services LLC

Language: English

ASIN: B005KC2Y3E
