A Snarky Adult Colouring Book: I Run On Coffee, Sarcasm & Lipstick (Snarky AF: Humorous Coloring Books For Grown-Ups) (Volume 1)

Synopsis

2017 GIFT IDEAS | COLOURING BOOKS FOR GROWN-UPS | HUMOR #snarkyAF Just because Donald Trump's campaign speeches have inspired an entire line of Swear Word Adult Coloring Books, doesn't mean we need another coloring book with the F-bomb on the cover. Let's combine that anger and negativity, add a cup of sarcasm, a dash of passive aggressiveness, and a sprinkle of sass. Let this simmer on low, deep in your brain, for 20 minutes (or until it glows bright red). Your SNARK is now ready. As with revenge, this dish is best served cold. Popular recipients of this dish include: your boss, your mother in law, your ex, and of course, any telephone customer service representative. Happy Coloring? Shrug. Customer Reviews

This book is sassy and fits perfectly for your average girly girl. The pages in this books are so fun to color. You need to add this one to your collection!!!

It's so great to have a passion for coloring and humor and find both in a coloring book. The quotes are hilarious. Whenever I'm in a bad mood, this book always helps. Between the quotes and the intricate designs around them that can put you in a trance, this book never fails to make me feel lighter. Would Def recommend.

If you are sarcastic or giving this book as a gift to a friend with a sarcastic sense of humour then this coloring book may be what you are looking to purchase. I also like that the language isn't offensive. The reason I gave it four stars is because some of the pages were either lame or I didn't understand the humour. All that being said I am happily coloring in it right now lol.

Most of the pages I really like. Tho I feel like there are some lame filler pages that will never get colored.

The quotes are hilarious. Whenever I'm in a bad mood, this book always helps. Between the quotes and the intricate designs around them that can put you in a trance, this book never fails to make me feel lighter. Would Def recommend.

VERY CUTE AND EXCELLENT FOR GIFT GIVING.

Love this book, such wonderful pictures.

I don't like this book. Some of the phrases are cute, others I didn't get. I didn't like the style of the pictures. Was expecting something else.
