Sounds just like my little granddaughter. I bought it for my son to read to this 3 year old daughter and not only does she adore it but my son got a great kick out of it as his daughter acts just like the little fox in the story. Great for bedtime.

Great kid's story, its short, maybe a bit too short, but its perfect. Great funny drawings, easy to read over and over.

Perfect for my grandson - thank you -

Very fun book and typical of human kids!

Short but lovely!

While this is a cute little book, there's not much substance to it. Very little story. It's over too quickly and we have to read yet another book before my daughter will go to bed.
